Notes: **1)** Courses with a sign (C) are compulsory university courses. **2)** For the columns “Weekly Contact Hours” the number 3 in the parentheses indicate weekly class hour; and plus 2, for example, shows the tutorials that a student can attend. **3)** In the last columns on the right of the above table “Prerequisites” indicate the courses which students have to pass (accrue study credits) in order to be allowed to take examinations in other courses determined by the study program. **4)** The students have to complete their 60 days internship or apprenticeship training. This can be done preferably in the fall semester breaks or summer terms of 2nd or 3rd year in order to graduate in June
