Total Credits Required for Graduation					240
Total Credits of Electives					66

7 Program Electives are taken from junior, senior or graduate level courses in ME, as seen in Table 2. Two program electives can be selected from other junior or senior level courses in FENS with consent of Program Coordinator.

Junior standing means the student has successfully completed at least 108 ECTS units in the program.

Senior standing means the student has successfully completed at least 168 ECTS units in the program.

3 University Electives for a total of 12 ECTS credits can be taken from Table 1: University Elective Courses List.

2 Language Elective courses are taken from the list of language courses provided (can not be the student's mother language).

2 Free Elective courses are taken from any faculty or program.

This new curriculum is being implemented for the new freshman students who entered the freshman class in the year 2017 or after.

For the existing sophomore, junior and senior students, the Faculty Board will make plans for proper adaptation to the new curriculum.

In exceptional cases only, Faculty Council may make a decision for a student bypass a prerequisite for any course.

Work placement/Internship is typically practiced in summer for a period of at least 25 work days, totalling at least 150 hours.
