

## Faculty of Business and Administration (FBA) Conditions to be met for Minor Degree in Economics (ECON)

To obtain a minor degree in ECON, a student needs to complete in total five courses (30 ECTS) as shown in the table presented below:\*

Required/Elective	Code	Course	Pre-requisite	ECTS
Required (2 courses)	ECON111	Introduction to Microeconomics	None	6
	ECON112	Introduction to Macroeconomics	None	6
Elective (3 courses)	ECON201	Intermediate Microeconomics	ECON111	6
	ECON202	Intermediate Macroeconomics	ECON112	6
	ECON204	International Political Economy	None	6
	ECON301	Econometrics I	Course in Statistics	6
	ECON320	Public Economics	ECON111	6
	ECON430	Growth and Development	ECON202	6
	ECON455	Labor Economics	ECON111	6
	MAN325	Money and Banking	ECON202	6
ECONxxx	One course (6 ECTS) per student choice with ECON code	Per ECON Curriculum	6	

*\*The table correspond for the students outside the Department of Economics and Management. For FBA Department of Economics and Management students, the required courses in their curriculum do not count. Therefore, the students can take the elective courses instead of the code that corresponds to a particular program (MAN - Management, ECON - Economics, IBF - International Business and Finance).*
