

Faculty of Business and Administration (FBA)
Conditions to be met for Minor Degree International Business and Finance (IBF)

To obtain a minor degree in IBF, a student needs to complete in total five courses (30 ECTS) as shown in the table presented below:*

Required/Elective	Code	Course	Pre-requisite	ECTS
Required (1 course)	IBF205	Principles of International Business	None	6
Elective (4 courses)	IBF102	Managerial Mathematics	MATH100 or MATH101	6
	IBF208	Business Finance	MATH100 or MATH101	6
	IBF409	Investment and Portfolio Management	IBF208 and Course in Statistics	6
	IBF303	International Business Law	None	6
	IBF310	Business Ethics	None	6
	IBF318	International Management	IBF205	6
	IBFxxx	Two courses (12 ECTS) per student choice with IBF code	Per IBF Curriculum	6

**The table correspond for the students outside the Department of Economics and Management. For FBA Department of Economics and Management students, the required courses in their curriculum do not count. Therefore, the students can take the elective courses instead of the code that corresponds to a particular program (MAN - Management, ECON - Economics, IBF - International Business and Finance).*
