

**Faculty of Business and Administration (FBA)**  
**Conditions to be met for Minor Degree International Business and Finance (IBF)**

To obtain a minor degree in IBF, a student needs to complete in total five courses (30 ECTS) as shown in the table presented below:\*

Required/Elective	Code	Course	Pre-requisite	ECTS
<b>Required (1 course)</b>	IBF205	Principles of International Business	None	6
<b>Elective (4 courses)</b>	IBF210	Financial Mathematics	MATH100 or MATH101	6
	IBF231	Financial Accounting		
	IBF208	Business Finance	MATH100 or MATH101	6
	IBF409	Investment and Portfolio Management	IBF208 and Course in Statistics	6
	IBF319	International Marketing		6
	IBF321	Managerial Accounting	None	6
	IBF310	Business Ethics	None	6
	IBF318	International Management	IBF205	6
	IBFxxx	One course (6 ECTS) per student choice with IBF code	Per IBF Curriculum	6

*\*The table is intended for students outside the Department of Economics and Management. For students enrolled in the FBA Department of Economics and Management, required courses in their curriculum do not count toward the minor. Instead, they must choose five elective courses from their program area, identified by the course codes MAN (Management), ECON (Economics), or IBF (International Business and Finance).*
