

INTERNATIONAL UNIVERSITY OF SARAJEVO
INTERNACIONALNI UNIVERZITET U SARAJEVU

Professor (All Ranks) in Computer Sciences and Engineering / Software Engineering

Institution: International University of Sarajevo

Location: Sarajevo, Bosnia and Herzegovina

Category: Computer Sciences and Engineering / Software Engineering

Type: Full-time, 12-month renewable contracts

Founded in 2004, the International University of Sarajevo (IUS) is located in the beautiful city of Sarajevo, the capital of Bosnia and Herzegovina. IUS is an English-language university with students from over 55 countries and staff from over 20 different countries. The university aims to double its student body in the next five years. Accordingly, IUS seeks candidates in all ranks holding a doctoral degree (ABDs also considered) from reputable universities. Applicants who have an active teaching and research agenda, with industry or teaching experience are especially encouraged to apply. Salary and rank of appointment will be commensurate with experience.

Minimum qualifications:

- PhD in Computer Science, Computer Engineering, Software Engineering, Information Systems, Statistics, or a related field (ABDs - all but dissertation will also be considered);
- Commitment to teaching and mentoring students and to pursue research;
- Willingness to teach across a range of Computer Science, Software engineering, and IT subjects at both undergraduate and postgraduate levels;
- The ability to teach data science, big data, artificial intelligence and related courses is a plus.

Desired qualifications:

- Experience in teaching courses in their field of expertise and mentoring students;
- Industry experience;
- An active research agenda.

INTERNATIONAL UNIVERSITY OF SARAJEVO
INTERNACIONALNI UNIVERZITET U SARAJEVU

We value diversity at IUS and welcome applications from all sections of the community, in particular from under-represented groups. Employment is offered on a full-time basis at the University, subject to performance and review.

If you require any further information, please contact Dr. Ozge Buyukdagli (obuyukdagli@ius.edu.ba), Program Coordinator for Software Engineering or Dr. Khalodun Al-Khalidi (kalkhalidi@ius.edu.ba), Program Coordinator for Computer Sciences and Engineering.

Applicants should submit a Curriculum Vitae (CV), a cover letter that includes their research interests, publications, and areas of teaching expertise, and contact information for at least three professional references to rectorate@ius.edu.ba.
