TEACHING EXPERIENCE

International University of Sarajevo

Associate Professor of Economics/Finance

2011- present

I joined to IUS 9 years ago and am very proud of what we have accomplished together. It has grown significantly since then and became the best private University and the second one rank in Bosnia and Herzegovina. Published over 150 scientific and research papers nationally and internationally and has authored four books throughout his professional career. Research interest: Financialization, Business cycles and financial integration, Capital flows, capital controls, and exchange rates, Macro-finance interaction, Financial Developments in National and International Markets, Macro-prudential analysis.

Responsibilities:

- **Teaching: (Undergraduate):** Principles of Economics — Globalization and Business — Money and Banking — Financial Markets and Institutions — Business Finance — International Finance — International Banking and Finance — International Monetary System — Growth and Development — Public Economics — International Monetary Economics

- **Teaching: (Graduate):** Business Finance — Corporate Finance — Seminar in Special Topics in Finance — International Banking and Finance — Monetary and Fiscal strategy — International Financial markets — Globalization and Global governance.
- Supervised 5 MBA students' dissertations (completed).
- Developed curriculum for some selected courses (International financial markets, International Monetary System, International Banking and Finance, Globalization and Business, Globalization and Global governance).
- Teaching and examination at all levels, supervision of postgraduate and undergraduate theses, publishable research, and administrative and other tasks in accordance with university regulations.
- Actively participated in all Faculty of Business activities including the revamping of the business administration curriculum.
- Serving in the Undergraduate Programmes and Graduate Programmes Curriculum Committee

ADMINISTRATIVE EXPERIENCE

Program Coordinator for ECON Study Program between 2012 and 2017
 Vice Rector for Academic Activities and Student's Affairs, 2018 -present

INDUSTRY EXPERIENCE

Prior to joining IUS, I have spent five years at the Securities Commission of the Federation of Bosnia and Herzegovina and was responsible for performance Securities Regulation: Mutual Funds Enforcement, Disclosure, Accounting, Audit as well as on evaluation of the applications made by issuers of capital market. I am familiar with various equity valuation models and performance analysis. Experience with security classifications (sectors, industry groups, industries, sub-industries).

Six years of professional experience in commercial banking, includes duties and responsibilities in Commercial cash management for corporate clients, Retail banking and commercial lending, Address accounting and treasury functions, handling cash management and risk planning activities.

SKILLS

Excellent econometric and financial modeling skills.

Extensive experience in E Views, STATA and Excel. Intimately familiar with various econometric techniques (for cross-sectional, panel co integration and dynamic panel data) and data sources from DataStream and Bloomberg.

RESEARCH INTEREST:

Financialization, Business cycles and financial integration, Capital flows, capital controls, and exchange rates, Macro-finance interaction, Financial Developments in National and International Markets, Macro-prudential analysis.

INTERNATIONAL PROGRAMS:

Visiting lectures

- KUL University, Poland, May 2019 (delivered a lecture about Financial integration in the SEE countries, Global Financial System and the Financial Markets as well as International Financial regulation and Basel Accord).
- University of Economics – Varna, Bulgaria, May 2017 (delivered a lecture about Globalization and Contemporary Issues in Transition economies).

- İstanbul Ticaret Üniversitesi, Turkey, May 2016 (delivered a lecture about Contemporary Trends in International financial integration).

Extract from the Social Science Research Network (SSRN) Statistics as of February 18, 2021
